Re: US v. Corbett et al
20-CR-213

Your Honor:

I represent Marlon Bristol in the above-referenced matter. I am writing to pursuant to the Court's March 11, 2022 Order to indicate that, on behalf of Marlon Bristol, we consent to the exclusion of time under the Speedy Trial Act to April 29, 2022 to prepare motions in limine.

I apologize to the Court for the late filing of this letter. I had intended for it to be filed yesterday morning, but it got lost in the shuffle as I was leaving the New York area for the week.

Thank you very much for your forbearance and your consideration.

Very truly yours,

/s/
Murray Singer
